

It is a product innovation to the construction equipment market!  
Innovation, ease of maintenance, high performance and product quality!

**No commissioning required!**

### **Concrete lintel making machine UPB-PB for the production of precast lintels**

Equipment does not require commissioning works!

**UPB-PB is the concrete lintel making machine for the production of concrete lintels with non-tensioning reinforcement (GOST 948-84).**

**When placing an order, you select the list of necessary moulds in accordance with your production requirements.**

**Concrete lintel making machine can be completed with forms for the manufacture of the following sizes of concrete lintels**

| Concrete lintel | Sizes of lintels | Capacity, un/h | Quantity of lintels for 1 minute |
|-----------------|------------------|----------------|----------------------------------|
| 2ПБ13-1-п       | 1290 x 120 x 140 | 100-120        | 5                                |
| 2ПБ16-2-п       | 1550 x 120 x 140 | 90-100         | 5                                |
| 2ПБ17-2-п       | 1680 x 120 x 140 | 80-90          | 5                                |
| 2ПБ19-3-п       | 1940 x 120 x 140 | 60-80          | 5                                |
| 3ПБ13-37-п      | 1290 x 120 x 220 | 60-80          | 5                                |
| 3ПБ16-37-п      | 1550 x 120 x 220 | 45-65          | 5                                |
| 3ПБ18-37-п      | 1810 x 120 x 220 | 30-50          | 5                                |
| 5ПБ18-27-п      | 1810 x 250 x 220 | 20-30          | 2                                |
| 9ПБ13-37-п      | 1290 x 120 x 190 | 70-90          | 5                                |
| 9ПБ16-37-п      | 1550 x 120 x 190 | 55-75          | 5                                |
| 9ПБ18-37(8)-п   | 1810 x 120 x 190 | 40-60          | 5                                |
| 10ПБ18-27-п     | 1810 x 250 x 190 | 20-30          | 2                                |

### **Concrete machine specifications**

| Parameter            | Unit of measurement | Standard |
|----------------------|---------------------|----------|
| Service staff        | person              | 1        |
| Hopper capacity      | m <sup>3</sup>      | 1,8      |
| Electric motor power | kW/h                | 5,5      |
| Overall dimensions   |                     |          |
| - Length             | mm                  | 2410     |
| - Width              | mm                  | 3150     |
| - Height             | mm                  | 2300     |
